Protective Suits

YouSafe™ Hightide | SOLAS/MED CE/ISO

MODEL
VIKING YouSafe™ Hightide

VIKING YouSafe™ Hightide

This SOLAS approved immersion suit has been developed for Offshore Wind Energy. The emergency-ready immersion suit has integrated buoyancy eliminating the need for a lifejacket, and an integrated harness to allow for quick donning and efficient evacuation. The suit is stored at the top of the wind turbine in case of an emergency.

- Integrated buoyancy, no lifejacket required
- Integrated harness for a safe and efficient evacuation
- Detachable gloves for easy donning and handling of emergency equipment

VIKING YouSafe™ Hightide immersion suit, SOLAS/MED, CE/ISO
Product number: PS2017
