MODEL
VIKING YouSafe™ Pioneer

VIKING YouSafe™ Pioneer

With a lightweight and ergonomic fit, the VIKING YouSafe Pioneer ensures the wearer has the most comfortable transit to and from offshore operations, whilst still providing first class safety.

- Top of the line model with multi-layer thermal liner that regulates body heat
- Integrated valves to remove trapped air in an evacuation situation to control buoyancy
- Designed in collaboration with users

VIKING YouSafe™ Pioneer, helicopter passenger suit, ETSO
