TEST CERTIFICATE

We,

POK S.A.S.
*Z.I. LES GUIGNONS
10400 NOGENT SUR SEINE
FRANCE.*

Certify that our eductors "Mixy eductor", code 18755, are settled for the flow rate of 200 l/min at an inlet pressure of 10 bars in our plant.

They are tested at a pressure of 25 bars and are guaranteed for the maximum operating pressure of 16 bars.

The eductors are produced in conformity with the norm DIN14 384.

Best regards,

Marie-Claude Blasco
