

Narwhal FRB-700

Item number: 1071940

The FRB700 Rigid Inflatable Fast Rescue Boat is designed for rescue operations on the high seas. It is designed for 3 crew, hence fitted on 2 x JS1 Jockey seats and a leaning post for the pilot, and a stretcher. Its wide console protects the pilot against the wind and sea spray, whilst providing sufficient space to install state-of-the-art electronic equipment, as well as the engine compartment.
