General conditions for the approval
a) The initial conditions verified by RINA at the time of the approval are to be maintained
b) Any changes to the initial conditions are to be promptly communicated to RINA, which reserves the right to repeat the relevant assessment
c) RINA personnel are to be allowed to witness during the performances of activities, upon their request
d) The activities are to be carried out in compliance with the RINA Rules and/or other applicable Rules
e) RINA may revoke the approval in the case of modifications to requirements or conditions for the approval
f) Should the specified regulations or standards be amended during the validity of this certificate, the product is to be reapproved prior to it being placed on board vessels to which the amended regulations or standards apply.
g) This certificate loses its validity in case the EC type Examination (Module B) certificate is no more valid.
