MODEL
VIKING YouSafe™ Torch

VIKING YouSafe™ Torch

Professional-grade fire suit for firefighting on cargo and passenger vessels. The suit features the EMSA-recommended classification level 2 for water penetration resistance and is ideal for fire protection in marine environments.

- High quality two-piece fire suit with an Aramid outer shell with a moisture barrier that provides higher protection against water penetration, chemical fumes, and steam burns
- Approved for structural firefighting according to EN469:2020 requirements
- Ideal for firefighting involving electrical vehicles and AFV's

**VIKING YouSafe™ Torch, Marine Fire Suit, SOLAS/MED, CE/
EN469:2020, MSMER. Product number: PS8488/PS8489**
