Declaration of conformity

Dr. STHAMER
FOAM FIGHTS FIRE

vaPUREx AR MARINE 3/3 F-5 #8343

no PFAS added

We hereby declare that our product

VAPUREX AR MARINE 3/3 F-5 #8343

fulfills the following requirements:

- no fluorine-containing raw materials are used during the production. Therefore, the limits for PFOS as well as PFHxS and its related substances (EU/2019/1021), PFOA and its respective statutory defined precursors (EU/2020/784) as well as C9-C14 perfluorocarboxylic acids and their respective statutory defined precursors (EU/2021/1279) are of course met.
- the product is manufactured without the intended addition of organofluorine compounds (PFAS) for the purpose of increasing performance and therefore does not contain any amount of organofluorine substances (PFAS) beyond the regional ubiquitous background pollution (e.g. in the drinking water used for production).
- none of the used raw materials is listed on the SVHC candidate list or is subject to any restrictions for foam concentrates as per Annex XIV and XVII of the REACH regulation (EG/1907/2006).
- none of the used raw materials shows Ozone Depleting Potential (ODP according to the Montreal Protocol) or Global Warming Potential (GWP).
- the product does not contain PCBs and PCTs (Polychlorinated Biphenyls and Terphenyls).
- the product is not a dangerous good.

All above declarations are valid at the date of issue of the document. The validity is checked on a regular base. Please contact us for an updated version.
