VIKING RescYou™ Coastal

The smart solution for coastal cruising, inland sailing and sport fishing, geared for situation where rescue is expected within 24 hours.

Approved according to ISO 9650-1 Type 2, this coastal liferaft includes all you need for sailing near rescue points. Easy to transport and fit on board.

- Automatically inflating canopy
- Designed for extra seating height
- Boarding ramp for easy access
- Two openings: one large, one small secured with over-size, easy-slide zippers
- Internal and external lifelines
- Openings provide view of the horizon and improves cross-ventilation
- Approved for inflation in 0°C to +65°C

Container

Valise
