Protective Suits

YouSafe™ Storm | SOLAS/MED NMD

MODEL
VIKING YouSafe™ Storm

VIKING YouSafe™ Storm

Rugged multi-layer offshore immersion suit with attached inflatable buoyancy module eliminating the need for a separate lifejacket. Enhanced freeboard and a high level of thermal for excellent safety performance under tough marine conditions.

- Self-righting approved by NMD according to requirements for mobile drilling units (MODU)
- A total of 275 N buoyancy ensures a minimum of 12 cm freeboard
- PU coated Nylon shell with a quilted thermal liner

VIKING YouSafe™ Storm, immersion suit, SOLAS/MED, NMD
Product number: PS5026
